---

The Registers in this volume have been printed from carefully-examined copies of the original Registers at the different Chapels. In some cases the Chapels do not possess their original Registers, and the omissions have been supplied from the transcripts at the Leeds Parish Church. For instance, St. John's Register commences in 1774, Chapel Allerton in 1787, and Farnley in 1795.

Miss Hargrave kindly assisted the Editor during his severe illness by checking the portion of the Chapel Allerton Register in the third Part, and seeing it through the Press. Headingley and Holy Trinity were partly printed from a copy made by the late Mr. Henry Wilson, after comparison with the original. In the fourth Part the consent of the Vicar of Chapel Allerton and the Rector of Farnley was obtained to copy and check the Registers in their possession. For Chapel Allerton a Clerk's Burial Register, commencing 1764, has been used, and a list of corrections has been printed at the end of this Volume.

The thanks of the Society and of the Editor are due to the following for kindly allowing the Registers to be copied and printed, and for the facilities given for transcription: The Rev. D'Arcy S. Rudd, Vicar of St. John's; the Rev. J. E. Roberts, Vicar of Holy Trinity; the Rev. Canon Malden, Vicar of Headingley; the Rev. F. Wolde, Vicar of Bramley; the Rev. Wm. Nutley, Vicar of Beeston; the Rev. George Atkinson, Rector of Farnley.

Thanks are also due to Mr. Brumwell, the Registrar of the Leeds Parish Church, for producing the books in his custody.

Mr. Jesse Andrews Myers has again undertaken the arduous task of preparing the Indices of surnames and places, and the special thanks of the Society are due to him for this.

 Decemb<sup>r</sup> 11. The Rev<sup>d</sup> John Moore,<sup>1</sup> Curate

On December 10<sup>th</sup> I had notice of M<sup>r</sup> Moore's Death by a Letter from my cousin, J. Hardcastle, sent by his own Ser<sup>t</sup>, and which happened the Day before; and on the 11<sup>th</sup> I was at Leeds by 8 in the morning and having got a Certificate from the Clergy there and a Letter of Presentation from D<sup>r</sup> Kirshaw, Vicar of Leeds, I set out immediately for Brodsworth, the seat of his Grace the Archbishop of York, and on Wednesday the twelvth was properly licenced by the said ABp., upon the sole Nomination of the said D<sup>r</sup> Kirshaw, to the Chapell-ry & Curacy of Headingley.

And this I mention (as there have been disturbances made by some turbulent People in other Parts of the Parish of Leeds, relating to the Vicar's right of Presentation to the Curacies in the Vicaridge of Leeds) that what has happened in my own Case may be made Use of as an Evidence in case there should be ever any Disturbances of the like Nature in this Place, which I hope indeed will never happen, but which it can never be improper to provide against.
